

F12S+ COOL OIL- LONGLIFE J1034 1:04

Description

Silboil F12S+ Cool Oil is a high-performance concentrated antifreeze that is phosphate-free, silicate-free nitrate-free and borate-free ethylene glycol-based coolant that is designed to provide exceptional corrosion protection of all cooling system metals.

Features

- Maximizes protection of all metals commonly found in the engine cooling systems.
- Keeps engines at optimum operating temperatures contributing to improved fuel economy.
- Excellent protection from cavitation, liner pitting, rust, scale and deposits formation.
- Compatible with ordinary summer coolants.
- Provides year-round cooling properties.

Characteristics

Colour	Amber
pH value	8.3
cSt @ 100°C	3.2
Equilibrium Reflux Boiling Point, °C	251
Wet Equilibrium Reflux Boiling Point, °C	160
cSt @ 40°C	1296

*The typical characteristics mentioned represent mean value.

Health & Safety

Based on current available information, this product is not expected to produce adverse effects on health when used for the intended application and in accordance with the recommendations provided in the Material Safety Data Sheet (MSDS). MSDS's are available upon request through your local sales office, or via the Internet. This product should not be used for purposes other than its intended use. When disposing of used product, take care to protect the environment and follow local legislation.

SILBOIL LUBRICANTS (INDIA)

Plot No. 6, Dan Udyog Industrial Estate, Piparia, Silvassa- 396230
