

SCOOTY SPECIAL 4T-NITRIC 10W- 30 API SM/MB

Description

Silboil Scooty Special 4T- Nitric is specially designed for automatic scooters and gearless 2-wheelers. Its exclusive and unique formulation does not let the oil film break easily, thereby providing superior protection even in heavy traffic 'stop-n-go' conditions. This leads to a distinctly superior performance, which can be felt from the first use itself.

Features

- ◆ Exceptional anti-wear properties protect vital engine and gear components leading to reduced maintenance costs.
- ◆ Controlled frictional properties eliminate clutch slippage leading to increased power/ fuel economy and improves drivability.
- ◆ Active cleaning agents provide engine cleanliness.

Characteristics
